UX & UI Design

EXPERIENCE

Product Designer | Empley

December 2025 – March 2026

Redesigned an AI-powered workforce planning SaaS, from prototype to enterprise product. Solo designer on 2-person agile team. Work via AI-assisted workflows using Claude Code and MCP integrations for design-to-code handoff through Figma.

UX Internship | Recorded Future

April – December 2023

Cybersecurity SaaS platform for analysts and incident responders. Independently conducted PURE testing, card sorting, and tree testing. Delivered extensive report that informed new navigation structure, resulting in significant traffic increases (+280% on key pages) post-launch.

Spec. Dental Nurse | Dentista AB

December 2016 – January 2024

Specialist surgery assistance in endodontics and clinic-wide coordination and administration. Managed all referrals for dental implant surgery, radiology (CBCT X-ray), endodontics and orthodontics.

Dental Nurse | FTV Kortedala

January 2014 – December 2016

Pediatric, orthodontic and general dental care. Administration towards Social Services and Swedish Social Insurance Agency. Managed annual ECO-certification and regulatory compliance.

EDUCATION

Web Designer | Karlskoga FHS

August 2025 – June 2026

Frontend development (HTML, CSS, JavaScript, React), basic backend (PHP, WordPress, MySQL), and graphic design.

UX Designer | YRGO

January 2022 – December 2023

Service design, UX methodology, strategy and brand experience, innovation processes, usability, accessibility and prototyping.

Dental Nurse | YH Helsingborg

September 2012 – January 2014

Radiology, anesthetics, periodontics, TMJ/occlusion, orthodontics, endodontics, pedodontics, facial anatomy and confidentiality laws.
